Open Up – New Research Spaces for the Humanities and Cultural Studies

Please complete without specifying author, institute or career level.

Title of the project:

1   Where do you see the 'open up character' of your project? (max. 70 words)

2   Where does your project take risks? (max. 70 words)

3 What difficulties or counter-arguments do you anticipate and how do you intend to address them from the outset? (max. 70 words)

4 Which academic and non-academic target groups do you want to address with your project-related workshop? (max. 70 words)
